

# Columbia, Illinois Memorial and Commemorative Tree Donation Program

## About the Program

Sponsored by Columbia P.L.A.Y. Foundation, the Memorial/Commemorative Tree Program allows groups and individuals to donate a tree to commemorate a special event or as a memorial to a loved one. A tree purchased through the program is placed in a city park of your choice. Exact placement may be requested, but is ultimately at the discretion of the Parks and Recreation Department.

## Types of Trees

The following trees are available for planting:

- Northern Red Oak
- Clump Oak
- Sugar Maple
- Red Maple
- Tulip Poplar
- Eastern White Pine

## Cost

The cost of the tree program is \$250 per tree and is tax deductible. This cost includes the planting and continued maintenance of the tree. Although we accept requests for tree donations year round, trees will only be planted in the spring or fall to give the trees the best chance to survive.

## Ordering your Tree
