**Permit Fees: (Check all Categories Below) Minimum Fee for an Electrical Permit is \$75.00**

	<b>Upgrades and/or new service:</b>	<b>\$ 75.00</b>	
	<b>Remodeling:</b>	<b>\$ 75.00</b>	<i>This includes relocation and/or additions of manipulations of electrical systems</i>
	<b>TOTAL PERMIT FEES</b>	<b>\$</b>	

All fees to be paid in advance of permit being issued. It is understood that any permit issued on this application will not Grant any right of privilege to perform any electrical work that is not in conformance with the City of Columbia Electrical Ordinance, Codes and Regulations. The applicant further agrees to notify the City Inspection Department at appropriate stages during the work to be performed to arrange for inspections.

Permits shall be issued to licensed electrical contractors or a homeowner; provided the homeowner personally performs the electrical work and provided that the electrical work is to be installed in the home occupied by the owner and that the home is a single family residence or owner occupied duplex. The permit will be issued with the stipulation that you own the home and will live in the home for a period of not less than two (2) years.

If the Electrical Inspector has issued a “notice of Non-Compliance” listing defects/violations requiring corrective action and subsequently re-inspects the job and the violations have not been corrected, an additional fee of \$50.00 shall be assessed for additional inspection.

Any person violating any provisions of this section or any part thereof shall be fined in the amount of not more than \$750.00. Each day such violation is committed or permitted to continue shall constitute a separate offense and shall be punishable hereunder as such.
