

The information submitted with this application may be used by the City of Columbia and/or its contractors or consultants. By signing below you certify that you are the owner of record of the named property, or that the proposed work has been authorized by the owner of record and that you have been authorized by the owner to make this application as his/her/their authorized agent. You agree to conform to all applicable laws, statutes, ordinances and codes of this jurisdiction, including those adopted by the City of Columbia. The applicant further agrees to notify the City Community Development Department at appropriate stages during the work to be performed to arrange for inspections. Permits shall be issued to Illinois Plumbing Contractors or a homeowner; provided the homeowner personally performs the plumbing work and provided that the plumbing work is to be installed in the home occupied by the owner and that the home is a single family residence or owner occupied duplex. Owner occupied permits will be issued with the stipulation that the property owner has lived in the home for a period of not less than six (6) months. I understand the City assumes no liability and reserves the right to revoke the approved permit due to errors and omissions within this document or other documents.

If the Plumbing Inspector has issued a "Notice of Non-Compliance" listing defects/violations requiring corrective action and subsequently re-inspects the job and the violations have not been corrected, an additional fee of \$75.00 shall be assessed for additional inspection. Any person, firm or corporation violating any of the provisions of this chapter, or continuing to work in violation of a stop order issued by the Building Official shall be fined not less than one hundred dollars (\$100.00), nor more than seven hundred fifty dollars (\$750.00) for each offense; and a separate offense shall be deemed committed on each day during or on which a violation occurs or continues.
